

Merikay H. Tillman, MS

KEYNOTE & BREAKOUT SESSIONS

Energized. Connected. Inspired.

Merikay's keynote programs get your audience members out of their seats, dancing and having fun! If you want them to laugh, smile, and high five each other as they commit to make positive change in their personal life and career – then Merikay is the one you need to book for your next conference.

Topics:

Stepping Stones to Success – Strategies to Enhance Business, Life & Relationships

The Power of TEAM –Engagement, Customer Satisfaction, Practice Growth

SHIFT Happens – Dealing with Difficult People & Sticky Situations

Leading from Within – Principles for Self Leadership & Influencing Others

As an former Dale Carnegie Instructor – Merikay knows the power of winning friends and influencing people. Communication is the one key area where we intersect on a daily basis with our team members and with our patients. Once the words are out, it's like toothpaste out of the tube, no turning back. Each program is super packed with easy to implement strategies that can be used once you walk out the door. Six lucky audience members receive a signed copy of the highly successful book series – Stepping Stones to Success.
